TERMS AND CONDITIONS OF SALE

ALL PRICES ARE F.O.B. KOSTER NURSERY,
BRIDGETON, N. J.

This list cancels all previous quotations and prices are subject to change without notice.

We give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter of any nursery stock we sell and *we will not be in any way responsible for the crop*. If purchaser does not accept goods on these conditions, they are to be returned at once.

We assume no liability for delay or failure in filling orders, due to weather, strikes, accidents, crop failures or other causes beyond our control.

To any firms of established credit, our terms are 2% 10 days, 30 days net, from date of shipment. 6% *service charge on overdue accounts*. To firms who cannot or will not establish satisfactory references, cash is expected with order. Orders for C.O.D. shipments must be accompanied by 25% of the purchase price.

To limit disposition of our material to nurseries and plant markets, orders must be written on printed stationery or a business card must be enclosed.

All shipments travel at the risk and cost of the purchaser. Transportation charges payable on receipt of goods.

All quotations are subject to prior sales and confirmation, in accordance with our usual terms and conditions.

Not less than 5 of a variety and size can be supplied at the 25 rate, and not less than 25 at the 100 rate.

All nursery stock has been field treated with residual insecticide and is certified to meet Federal Japanese Beetle Quarantine #48.

ALL SHIPMENTS ARE ACCOMPANIED BY A
NEW JERSEY CERTIFICATE OF HEALTH.

ALL CLAIMS MUST BE MADE WITHIN
10 DAYS AFTER RECEIPT OF GOODS.

TO THE TRADE AND OUR PATRONS:

We are always seeking better methods in our production program as well as being alert for new varieties that will satisfy a definite need while avoiding false expediency. It is our aim to put new varieties into production only if they have proven their worth.

Like many growers in this and adjoining areas, we have suffered not only considerable losses that can be attributed to the severe winter of 1960-1961, but were unable to meet our usual demand for some items this past year on that account.

However, the scars are pretty much healed and we look forward to being able to supply you with some of the finest stock available anywhere and are sure you will find our prices to be as low as our high quality will permit.

Why don't you pay us a visit? You will be glad you did and we would be glad to have you.
